MEMORANDUM FOR: Assistant Director for Research and Reports

THROUGH: Chief, Economic Research, OPR

FROM: Chief, Industrial Division, OPR

SUBJECT: Request for Restricted Data Clearances

1. It is requested that five sets of applications for Restricted Data clearance (AEC Forms 1 and 15) be issued to this Division for the following individuals:

 25X1A9a

25X1A9a

2.  is Deputy Chief of the Industrial Division. Many of the economic intelligence contributions to National Intelligence Estimates involve an understanding of the effects, employment concepts, and requirements for modern military end items as they are affected by employment of nuclear weapons. Much of the counterpart data used by the Division on cost and manufacture of nuclear weapon delivery systems and associated equipment are contained in documents classified Restricted Data. Furthermore, this Division is responsible for contributing to the NIE 11-2 series on the output of various types of machinery for the production and processing of nuclear materials; an understanding of manufacturing methods and processes is necessary to the production and review of this intelligence.

3.  25X1A9a is in the Guided Missile Branch and is responsible for economic intelligence on guided missiles launched from naval vessels. The background information and costs on both the missiles and the naval vessels (often, nuclear powered submarines) are classified Restricted Data.

4.  25X1A9a are in the Economics Section of the Guided Missile Branch. Most of the cost data on guided missile systems and information necessary for determining the numbers of various types of missiles required are contained in documents classified Restricted Data.

SUBJECT: Request for Restricted Data Clearances

5. As it now stands, the lack of Restricted Data clearance limits the access of these individuals to information necessary for full effectiveness in fulfilling their respective responsibilities. It is, therefore, requested that the necessary application forms be supplied and that such clearances be obtained for these people.
